EUROTOX 2018 CALL FOR NOMINATIONS

Calling all members to actively participate in the nomination of potential candidates for EUROTOX awards and SC members.

ALL NOMINATIONS SHOULD BE SUBMITTED IN WRITING AND SHOULD INCLUDE THE CANDIDATE'S PROFESSIONAL CURRICULUM VITAE AND A DIGITAL PHOTO. SEND ALL NOMINATIONS BY JANUARY 30, 2018 VIA EMAIL TO SECRETARIAT@EUROTOX.COM

2018 EUROTOX MERIT AWARD recognising professionals with a distinguished career in European toxicology.

The Awardee is invited to the annual congress and presented with the award during the opening ceremony.

Nominations supporting the candidate can be submitted by Member Societies, EUROTOX Specialty Sections or by at least 3 individual EUROTOX members.

2018 BO HOLMSTEDT MEMORIAL LECTURE recognising scientists who have made outstanding research contributions to the science of drug or chemical toxicology.

The award recipient will be required to present the Bo Holmstedt Memorial Lecture two times; the first time during the SOT annual congress, and then the following year during the EUROTOX congress.

Nominations supporting the candidate can be submitted in writing by EUROTOX Member Societies, by EUROTOX Speciality Sections, or by at least 3 individual EUROTOX members.

SUBCOMMITTEE (SC) MEMBERS to develop and implement approved initiatives in the various EUROTOX SubCommittees: Education (1 slot), and Communication (1 slot)

1. New Subcommittee members can be proposed by Member Societies, Individual members, Executive Committee members, and/or by the members of the relevant Subcommittee(s).
2. Members are appointed by Executive Committee and approved by the Business Council.
3. In the nomination of new members, the primary consideration will be the expertise and experience of the candidates but care shall be taken that the overall composition of the Subcommittees reflects, as far as practicable, the geographical distribution of EUROTOX membership as well as the range of fields of interest.
