

September 20, 2011

To all EUROTOX Members and Scientific partners and Exhibitors

**Subject: Call for Proposals for the EUROTOX 2013 Congress Scientific Programme**

Dear Colleagues,

On behalf of the Scientific Programme Committee (SCP), I invite you to submit your proposal(s) for the EUROTOX 2013 Congress that will be held in Interlaken, Switzerland, September 1-4, 2013.

Your input is required to prepare an innovative and relevant scientific programme covering the most up to date topics. Please suggest topics in toxicology for symposia and workshops. All other suggestions to improve coming congresses are also highly appreciated.

We urge all Individual Members, Member Societies and Corporate Members, as well as Scientific Partners to contribute. Only a common effort will guarantee a high quality programme and keep our annual congress a reference point for the toxicologists not only in Europe but also internationally.

***Please submit your scientific proposals using the attached form making sure to include the organizer details, the recommended speakers, and a brief presentation for the proposal. Send your proposals to the EUROTOX Secretariat (secretariat@eurotox.com) by December 4, 2011.***

The EUROTOX 2013 Scientific Programme Committee members are:

- Ruth Roberts, EUROTOX Vice-President and Chair of the 2013 SPC;
- 2013 LOC Scientific Programme Committee
  - Thomas Weiser, Chair
  - Michael Arand, Member
- Giuseppe Malinverno, EUROTOX Executive Member
- Chairs of the EUROTOX Speciality Sections
  - Dieter Schrenk, Carcinogenesis
  - David Bell, ERAS Risk Assessment
  - Raymond Pieters, Immunotoxicology & Chemical Allergy
  - Jean-Lou Dorne, Molecular Toxicology
- Kevin Chipman, EUROTOX 2014 Edinburgh Congress delegate

We also urge you to support and encourage young scientists in your proposals. They are always one of our priorities; taking part in symposia and workshops is still an important activity to help them develop their scientific and professional skills.

Thank you in advance for your continuous support and contribution, and I look forward to receiving your proposal.

Yours truly,

Prof. Ruth Roberts  
EUROTOX Vice President  
Scientific Programme Committee Chair
