Calling all members to actively participate in the nomination of potential candidates for EUROTOX Awards and SubCommittees.

Call for Member Societies to submit a letter of intent to host the 2026 EUROTOX Congress

NOMINATIONS SHOULD BE IN WRITING AND INCLUDE THE CANDIDATE'S PROFESSIONAL CV AND A DIGITAL PHOTO. SEND NOMINATIONS TO THE SECRETARY-GENERAL VIA EMAIL TO SECRETARIAT@EUROTOX.COM

--- The deadline for all the calls listed below is JANUARY 31, 2022 ---

- **2022 EUROTOX MERIT AWARD** recognising professionals with a distinguished career in European toxicology. The award will be presented during the 2022 ICT Maastricht congress (jointly organised by IUTOX-EUROTOX) September 18-21, 2022.

- **2022 EUROTOX LECTURE AWARD** recognising scientists who have made outstanding research contributions in toxicology. The award recipient will be required to present the lecture two times; the first time during the 2022 ICT Maastricht congress, September 18-21, 2022, then the following year at the annual SOT meeting, March 2023.

Nominations can be submitted by EUROTOX Member Societies, EUROTOX Speciality Sections, or at least three EUROTOX Individual Members.

- **MEMBERS** to develop and implement approved initiatives in the various EUROTOX SubCommittees: Education (1 slot - against incumbent), and Registration (1 slot).
  a. Members are selected by the Executive Committee and ratified by the Business Council.
  b. In the nomination of new members, the primary consideration will be the expertise and experience of the candidates, but care shall be taken that the overall composition of the Subcommittees reflects, as far as practicable, the geographical distribution of EUROTOX membership as well as the range of fields of interest.

Nominations can be submitted by Member Societies, Individual Members, Executive Committee members, and/or members of the relevant Subcommittees.
