

**2023 Honorary Member
Heather Wallace**

President of EUROTOX (2019-2021), President and LOC Chair of EUROTOX2014 in Edinburgh.

Heather is Professor Emerita of Biochemical Pharmacology and Toxicology at the University of Aberdeen. Her research interests are in cancer therapeutics and prevention, selective drug delivery and the use of biomarkers for diagnosis and monitoring efficacy of anticancer drug therapy. She undertakes postgraduate teaching in Clinical Pharmacology, Drug Discovery and Development and Bio-Business.

Heather is vice chair of the Gordon Research Conference on Cellular and Molecular Mechanisms of Toxicity, is immediate Past President of EUROTOX and Past President of the British Toxicology Society. She is a Fellow of the Royal College of Pathologists and is CPD Advisor for Toxicology at the College. She is also a Fellow of the following learned Societies: British Toxicology Society, Royal Society of Chemistry, Royal Society of Biology and British Pharmacological Society.

Heather is a member of the UK Register of Toxicologists and a European Registered Toxicologist (since 2006). She is a member of the CONTAM Panel of European Food Safety Authority (EFSA) and is a Commissioner on the Committee on Human Medicines (CHM) at the Medicines and Healthcare Products Agency (MHRA) in the UK. She is a member of the Awards Committee of the Society of Toxicology and is a past member of the Scientific Program Committee at SOT. Heather is Editor-in-Chief of Toxicology Research, the official journal of the British Toxicology Society.
