

Tuesday, 16 September 2025, 16:00 - 18:00

N. Skalkotas Hall

## S20 | ECF session; Towards Inclusive Toxicology: Bridging Diversity in Research and Practice

Chairs: Eliska Kuchovska (Düsseldorf, Germany); Mathieu Vinken (Brussels, Belgium)

### Presentations:

- 16:00 S20-01 EUROTOX Early Career Forum  
**Jonas Dietrich** (Wageningen, Netherlands)
- 16:30 S20-02 Sex-specific differences in the immunotoxicity of PFAS  
**Barbora Rudzanova** (Brno, Czech Republic)
- 17:00 S20-03 AnthroDrugs-Tox: Personalized Toxicology through Population Genetics  
**Simón Perera del Rosario** (Paterna, Valencia, Spain)
- 17:30 S20-04 Diversity in PBTK modelling and implications for regulatory application  
**A. Melina Steinbach** (Berlin, Germany)

Session Chair Eliska Kuchovska (Düsseldorf, Germany); and Co- chair Mathieu Vinken (Brussels, Belgium) welcome the audience and introduce the session.

Speaker Jonas Dietrich (Wageningen, Netherlands) provides an overview of the EUROTOX Early Career Forum (ECF) goals and activities.

Speaker Barбора Rudzanova (Brno, Czech Republic) discusses the Sex-specific differences in the immunotoxicity of PFAS.

Simón Perera del Rosario (Paterna, Valencia, Spain) presents AnthroDrugs-Tox: Personalized Toxicology through Population Genetics.

Diversity in PBTK modelling and implications for regulatory application  
A. Melina Steinbach (Berlin, Germany)
